Four local entrepreneurs clinched title as Overall Winners of The Entrepreneur of the Year Award

Singapore, 23 November 2016 – Four local entrepreneurs were named Overall Winners of The Entrepreneur of the Year Award (EYA) 2016 at the Award Presentation Ceremony held at The Ritz-Carlton, Millenia Singapore. The event was graced by Guest-of-Honour, Minister for Trade and Industry (Industry), Mr S Iswaran.

Mr Von Lee Yong Miang, 46, Executive Chairman of Expand Construction Pte Ltd, was the Overall Winner of the Established Entrepreneur Category. Mr Lee founded his company in 2000 and has grown it substantially over the years to be one of Singapore's major homegrown construction groups. His impressive portfolio of completed projects include the renowned S\$130 million Lion Grove Supertrees and Energy Centre at Gardens by the Bay, as well as the Lee Kong Chian Natural History Museum at the National University of Singapore.

At the ceremony, Mr Ven Chin from GD Group, along with Ms Tay Zhen Ni Jenny and Mr Cheng Ting Kuang Darren from Direct Funeral Services were also named Overall Winners of the New Entrepreneur Category.

Mr Ven Chin, 36, spent time gaining experience in the F&B industry before opening his first restaurant, Gurney Drive Signatures. Building up business momentum, he moved on to develop three other food concepts – Penang Culture, Penang St Buffet and Mamak Culture – under GD Group. Mr Chin is still passionate about creating new food concepts to continue to deliver reasonably priced, authentic Malaysian food to customers.

passion to push for excellence in the funeral industry. They have incorporated elements of hospitality into their funeral services and have relentlessly pursued accreditations to professionalise the image of their company. Ms Tay and Mr Cheng aims to revamp the way the funeral industry is perceived and transform their company into a one-stop provider of all end-of-life planning arrangements.

Co-organised by the Association of Small & Medium Enterprises (ASME) and Rotary Club of Singapore, the EYA is one of Singapore's most esteemed and established business accolades where top entrepreneurs are showcased annually on a platform of national scale. The EYA is currently into its 28th year honouring and celebrating the achievements of local entrepreneurs.

Mr Kurt Wee, President of ASME, said, "I am very glad to see that Winners of EYA 2016 have demonstrated key qualities that set them apart from their peers in the respective industry fields. The entrepreneurs are passionate for what they do and they are strongly motivated to achieve entrepreneurial success. This is the burning spirit of enterprise that Singapore needs to fuel and strengthen our economy."

"Since the establishment of the EYA in 1989, the Award has recognised 300 local entrepreneurs to date. This is a milestone achievement for the EYA, showing that the Award has a good standing among local business owners and it continues to inspire entrepreneurship in the local SME community," added Mr Wee.

Highlighting the same sentiments, Mr Garry Taylor, President of the Rotary Club of Singapore, said, "I am very heartened to see that Winners of EYA 2016 have actively engaged in Corporate Social Responsibility (CSR) as part of their business practices, giving back to society and helping those in need whenever they can. These entrepreneurs have shown the true spirit of entrepreneurship and their efforts are very commendable."

OCBC Bank returns as the main sponsor of the EYA for the 15th year running, affirming its commitment to celebrate and honour outstanding entrepreneurship.
