ipaymy

For the past decade Catherine has worked at MNCs throughout the US, Europe and Asia Pacific in sectors ranging from oil and gas to consumer electronics. With a background in engineering her passion is building products users love. In 2017, Catherine made the decision to take on a more entrepreneurial path by joining ipaymy. For the past year she has led the operations for the organization and is loving every aspect of the journey.

Human Capital Development

Sandy Tsang
Managing Director
AVADO Asia Pacific

Sandy Tsang is the Managing Director, APAC of leading global training provider AVADO. With a background in digital marketing, Sandy worked in the financial sector for more than a decade.

Some of her accomplishments at American Express include having brand and direct response digital advertising oversight for new product launches, introducing programmatic media buying, leading multivariate web tests, and integrating social media into PR and advertising.

Stephen Wang
Managing Director
Talent Plus

Steve Wang is the Managing Director of Asia Pacific at Talent Plus. Wang is a trusted advisor to our C-suite client partners in the creation and positioning of leadership development programs to optimize the impact of talent-based selection and strengths-based management in our Asia Pacific office. As an in-depth consultant, Wang works closely with global client partners through coaching of leadership excellence and researching talent. He focuses on team alignment approaches and succession planning strategies.

Having been a part of the Asia Pacific team over the past four years, Wang brings significant experience in several industry verticals and enterprise scope. His expertise ranges from large-scale operations implementations, M&A activity and private equity work to entrepreneurial startups, with projects jurisdictions encompassing the U.S., the E.U and Asia.

Prior to joining Talent Plus, Wang was Managing Director with ALC, International, a project management and leadership management consultancy for the information and communication technology sector. He oversaw major projects in new technology deployment for multiple large clients, including counties and municipalities in New York City, Los Angeles, the UK and France to execute and support new systems rollout. He also served as a senior consultant to the U.S.

International Trade Development Agency to assess and evaluate market and leadership strategies for the ICT industry in Romania. Projects included Cloud Computing, Telemedicine, National Library RFID, land cadaster systems, and Port of Constanza infrastructure improvement. Previously, Wang was a senior executive at InfoGROUP, a U.S. business and consumer data provider in a global strategy capacity, leading teams in Canada, the UK, India, and China.

Wang holds a Master's of Business Administration degree from Creighton University and a Master's of Law in International Trade and Transactions Law as well as a Bachelor's degree in Political Science and International Relations from the University of Nebraska – Lincoln. In addition, he maintains several international trade, leadership development and project management designations.

Internationalisation

Quek Leng Chuang

**Executive Director and Co-Founder
Environmental Solutions (Asia) Pte Ltd**

He co-founded Environmental Solutions (Asia) Pte Ltd in 1999, conceptualised and operationalised the vision from a home office to its current manifestation of 2 industrial sites in Tuas, Singapore. He continues to manage the company as one that lives and breathes sustainability, diverting and processing 36,000 MT a year of solid industrial waste from the landfill. A true practitioner in sustainability development goals, and in the conduct of business.

In 2016, he embarked on bold plan to transform the landscape of the electricity retail market in Singapore, started the ES Power brand of Carbon Neutral Electricity, with the noble vision of fighting climate change and poverty through the medium of electricity.

Mr. Quek Leng Chuang holds a Bachelor of Chemical Engineering (Honours) from National University of Singapore and Master of Business Administration (M.B.A.) from University of Leicester.
